

Visitors to Schools

The board invites parents and/or citizens of the school corporation to visit schools. Because schools are a place of learning, the following stipulations are established concerning these visits:

A. A visitor is defined as anyone who is not a regular staff member or student of a particular school.

B. Any visitor shall inform the principal's office of his/her presence upon arrival at the school.

C. Parents or citizens who desire to observe a particular classroom while school is in session shall obtain approval for such visits in advance from the principal, assistant principal, or central office administrator. In the event the principal is not available, the principal shall designate an assistant principal to determine the approval for such visits. Before approving any visit the principal or the designated assistant principal shall confer with the teacher whose class is to be visited not less than 24 hours before the requested visit, to determine whether and when a visit may be appropriate, the length of the visit and any other issues or concerns the teacher may have. Time limitations may be established so that class disruptions and distractions may be kept to a minimum.

D. Teachers who arrange visitors to their own classrooms or school shall inform the principal's office of such visitations.

E. Teachers shall not take instructional time to discuss class events, procedures or individual matters with visitors. It is recommended that a separate time be arranged with the teacher to discuss the visitor's classroom observations.

Building principals are authorized to refuse entry to schools to persons who do not have legitimate business at the school and to request any unauthorized person or person engaging in unacceptable conduct to leave the school grounds. Furthermore, building principals or designees are authorized to request assistance of law enforcement officers in cases of emergency and to seek prosecution to the full extent of the law when persons violate the provisions of the district policy including but not limited to trespassing on school grounds, damage to school property, loitering, and disruptive activity.
